ALLOCATION OF CUSTOMS CODE NUMBERS

Code number 1851389..... has been allocated to you. This number should be reflected in the space provided for on Customs Bills of Entry and other prescribed forms. To this end your clearing agent(s) if any, should be advised accordingly.

If you are an exporter and already registered as such by the Department of Trade and Industry (Section Export Trade Promotion), the code number allocated above should be the same as the one you are presently using in respect of exports. Should this not be the case, please advise this Office forthwith.

Kindly notify this Office of any change in name or address.

Yours faithfully

Please note that the Commissioner for the South African Revenue Service (SARS) will not exercise his discretionary powers in favour of any person with regard to any interest, penalties and/or additional tax leviable due to the late- or underpayment of taxes, duties or levies or the late rendition of returns by any person as a result of any computer system not being year 2000 compliant.

A handwritten signature in black ink, appearing to be 'L. van der Merwe', is written over the signature line.
